

THE BFF IS BACK AND BETTER THAN EVER BEFORE. THIS NOVEMBER WE WILL BE HITTING THE STREETS OF MELBOURNE TO CELEBRATE EVERY ASPECT OF BIKE CULTURE, AND WE WANT YOU TO TAKE PART. TO COMPLEMENT OUR PROGRAM OF INTERNATIONAL FILMS, WE ARE PLEASED TO BE WORKING WITH HUMAN POWERED CYCLES TO PRESENT A PROGRAM OF LOCALLY MADE FILMS ABOUT BIKES.

THE BICYCLE FILM FESTIVAL RETURNS TO MELBOURNE THIS NOVEMBER 12 - 29

We are looking for locally made films with a strong theme or character of bicycles. This includes all mediums and styles such as animation, experimental, narrative, documentary and music videos. The films can be up to feature-length but shorts are preferred. We want films about bikes, cyclists, and the local bike scene.

If you have a film about your biking community, about the first bike you ever rode, about bike riding and how it fits into your life, or a film that features bikes in any way - we want to hear from you. We are looking for films with an artistic or narrative quality that inspire people to get on a bike!
